You agree that electronic copies of communications are valid and you will not contest the validity of the originals or copies, absent proof of altered data or tampering. Because the Services are performed electronically, they are governed by federal and state laws and regulations pertaining to electronic funds transfers which entitle you to certain benefits and protections, which are contained in this

Electronic Services Agreement.

2. REQUIREMENTS (a) Account Access. To access your account via the Electronic Services, you must have at least one eligible deposit or loan account, a Customer Identifier ("User ID"), and a password(s) (the "password(s)") that you choose. You may only designate accounts that you own jointly, severally or otherwise or that you have the authority to use. You agree to provide us with any additional documentation we may require to permit access to your account. You understand by enrolling for Bill Payment, that you authorize us to investigate and verify any information supplied by you. You authorize us to make any credit or investigative inquiry that the bank determines is appropriate to utilize bill payment services. **(b) Multiple Signatures.** Accounts that require two or more persons acting jointly through signature or otherwise, for withdrawals, fund transfers, bill payment or other transactions, are ineligible for the Services. **(c) Joint Accounts.** If you have designated a joint account to be accessible via the Services, each joint owner will be jointly and severally liable under this Services Agreement. We may act upon the instructions of any joint owner concerning the account without the consent of any other person. Any person(s) to whom you give your User ID and password(s) will also be considered by us to be authorized users. **(d) Special Withdrawal Limitations.** Banking regulations limit your ability to transfer funds between certain accounts, as described in the terms and conditions governing your deposit account (the "Deposit Agreement"). For example, you may make no more than six (6) transfers and/or withdrawals during any one (1) calendar month or statement cycle (the period from one statement to the next) or similar period of at least four weeks from a savings or money market deposit account. Transfers to another account, payments to a third party by means of a preauthorized or telephone agreement, order or instrument, withdrawals using a telephone and checks are all counted against the permissible number of transfers, as are other transfer methods described in your Deposit Agreement, except where the transfers are made to pay on a loan with us. **(e) Limitations and Dollar Amounts for Transfers and Payments.** Transfers from one designated account to another may not exceed the available balance in your account from which the transfers are made. Bill payments may not exceed the available balance in the account from which payments are made. The security of your Account depends upon maintaining the secrecy of your password(s). You may change your password(s) at any time while you are using the Services. You must use your password(s) to access your account(s), pay bills, open electronic statements or perform banking transactions. To assist us in maintaining the security of your Services account(s), we may revoke or cancel your password(s) at any time without giving you prior notice. You agree not to use your password(s) for any transaction that would cause your account balance to go below zero. We will not be required to complete any such transaction, but if we do, you agree to pay us the amount of the improper withdrawal or transfer upon demand and any associated fees for such service. Otherwise, you authorize us to collect any such amounts, including the amount of the service fees you may owe us from any account you maintain with us. **(g) Protecting Your Account.** You are solely responsible for maintaining password(s) secrecy. Your password(s) are used to gain access to the Electronic Services. For your protection, we recommend you memorize your password(s) and do not write it down. If this occurs, please call 1-800-732-0642 or (989) 843-6145 to have your password(s) reset.
