

Mayville State Bank's Mobile Deposit FAQs

1. What is Mobile Deposit?

Mobile Deposit is a service available within Mayville State Bank's Mobile Banking Application. It allows you to deposit checks directly into your Mayville State Bank account by taking pictures of a check using your Smartphone.

2. Who is eligible for Mobile Deposit?

Mayville State Bank customers, who are enrolled in Mobile Banking Services, maintain an eligible checking or savings account and have accepted Mayville State Bank's Electronic Services Agreement are eligible. Enrollment is not guaranteed as some restrictions may apply. Business Customers please contact your Business Banking Officer for more details.

3. What mobile devices are supported?

Mobile Deposit is currently available for the iOS and Android Smartphone Devices.

4. What are the advantages of using Mobile Devices?

You can securely deposit checks from anywhere at any time. This saves time and expense by reducing trips to the bank.

5. How much does it cost to use Mobile Deposit?

There is no charge for using Mobile Deposit.

6. Do I need to endorse the check I am depositing?

Yes, you are required to endorse the back of the check you are depositing with your signature and "For Mobile Deposit Only Mayville State Bank" or as otherwise instructed by Mayville State Bank.

7. Is there a limit on how much I can deposit using Mobile Deposit?

Mayville State Bank will determine which Mobile Deposit tier will best suit the needs of each individual customer for automatic processing. Some checks may require additional review prior to being processed.

8. What should I do with the check after it has been deposited into my account?

After confirming the check has been deposited into your account, we recommend that you write on the front of the check in ink these words: "Mobile Deposit on DATE" (where DATE is the full date you deposited the check by Mobile Deposit) to render it incapable of further transmission, deposit, or presentment. Then securely store the check for 30 days after deposit to provide enough time should the original item be required for any reason. After 30 days it should be ok to destroy the check.

9. What are the cut-off times for deposits made with Remote Deposit?

You can deposit checks at any time. Every day is a business day, except Saturdays, Sundays, and federal holidays. Checks deposited via Mobile Deposit by the Bank's stated 4:00 p.m. ET deadline will be considered deposited on that business day. Otherwise, we may consider the deposit as being made on the next business day we are open. Funds from items deposited through Mobile Deposit will be available according to the Funds Availability Policy, as amended from time to time. The funds availability policy is available on our website and may be requested at any of our offices.

10. Are there any kinds of checks I cannot deposit using Mobile Deposit?
